

FERNANDO SOR

Six petites pièces, op. 42

for guitar solo

Edited by Brian Jeffery

TECLA EDITIONS

Sor's *Six petites pièces* op. 42

Sor's *Six petites pièces* op. 42 are another set of six short pieces, carefully arranged to form a unified whole which could well be performed complete. Two pieces in the same key begin the set; then a longer one in a different key; then a marvellously rhythmic piece which resembles nothing so much as a Ländler; and finally, another waltz. First published in Paris in 1830-31.

This edition comes from the new 2019 second edition of Sor's *New Complete Works for Guitar* edited by Brian Jeffery. The Introduction and Index to the entire series can be seen here on this site.

Detailed notes about Sor's *Six petites pièces* op. 42, for performers, students, historians, and others, can be found at the end of this file.
